“The exclusive Fountain of Youth™ spas are specifically for customers looking to gain health and beauty benefits from *MicroSilk®* hydrotherapy without breaking the bank,” says Casey Loyd, President of Cal Spas®. “Our goal at Cal Spas® is to offer a variety of high quality spas to fit any lifestyle and any budget without diluting quality or service. The Fountain of Youth™ spas give customers an enhanced quality of life through the benefits that only *MicroSilk®* hydrotherapy can provide.”

MicroSilk®, by Jason International, Inc. is a new patented hydrotherapy that rejuvenates your body and skin, making you look younger and feel better. The gentle effervescent sensation and silky feel of the water are signs that your body is benefiting from the super saturated water with billions of oxygen rich microbubbles. These microbubbles, increase oxygen levels in the water and blankets your body, energizing skin cells, stimulating the immune system and collagen production, killing bacteria and promoting healing.
