Versatile Cooking with the Griddle MOD

Pomona, CA — (July 31, 2019) The Modular Luxury Outdoor Kitchen has 6 MOD's total that interlock seamlessly to create the combination you desire most.

In the previous Cal Flame Press Release we went in detail about the features and functions on the Grill MOD and Power Burner MOD. Now, get the details on the Cal Flame Griddle!

The Cal Flame Griddle is a heated flat surface made to grill pancakes, bacon, sausage and more. When the griddle is being used, slide down the top cover and start grilling.

Made with double welded 304-Stainless Steel Construction. Equipped with an access oil tray and a centralized propane drawer. The propane drawer is made with a sliding tray for a propane tank.

Turn the Griddle MOD on with (2) exclusive LED Cal Flame Stainless Steel Knobs. With a push of the button, and small turn to the wrist, the griddle heats up seamlessly.
