Engage in the evening with a tabletop fire pit that is at bar height. Enhance luxury by adding chairs to the fire pit. The footrest at the bottom comes equipped for enhanced comfort.

Dimensions are 61" x 45" with a hexagon shape. Never use a match with Cal Flame: all products come with the Piezo and Blowtorch System. Just a simple turn and the fire can be adjusted to your preference.

The 18' centralized vertical door comes standard to store the propane tank. The square firebox has a BTU output of 55,000 and comes equipped with an everlasting 4-piece 16" log set with lava rocks.

Liquid Propane is standard for the FPT-1050T and can be converted to Natural Gas by using a certified electrician.

The FPT-1050T is finished with Ameristone Stucco and a 12x12 Porcelain Tile border in various color options. Add optional features such as a Natural Stone Tile Border or a 3" Bottom Trim.

The Cal Flame FPT-1050T is the most ideal fire pit for entertainment due to the height and functionality. Fire pits expand living space and add a pleasant space for entertainment instantly for you and your friends and family.
