Live in Lavish With The Best Fire Pit on the Market

Pomona, CA — (February 20, 2019) Take a look at the FPT-1050T exclusively from Cal Flame, offering functionality and entertainment, which is a true luxury to each household.

The tabletop is a 61” hexagon shape with a height of 45”. The height of the FPT-1050T is the same as a bar. Therefore, anyone can enjoy a meal while watching the fire. A footrest is at the bottom to enhance comfort.

The FPT-1050T is finished with Ameristone Stucco and a 12x12 Porcelain Tile border in various color options to choose from that will compliment any home resort design.

The square firebox has a BTU output of 55,000 and comes equipped with an everlasting 4-piece 16” log set with lava rocks. The FPT-1050T is Liquid Propane standard but can be converted to Natural Gas by using a certified electrician.

The 18’ vertical door comes standard to easily store the propane tank. Never use a match with Cal Flame; all products come with the Piezo and blowtorch system. Just a simple turn and you can light up the night. The FPT-1050T is meant to live in lavish.
