Pomona, CA — (March 11, 2019) The Cal Flame Dephi team is constantly innovating to improve the Cal Flame product line. This year, Cal Flame is upgrading the Convection 5 Burner Grill.

The Cal Flame Convection Grill emits 95,000 BTU's with a cooking surface of 1,000 sq. in. This year, the 5-Burner Convection Grill is updated with LED Knobs and can be lit without a match using Piezo Blowtorch technology.

The 5 Burner Convection Grill comes equipped with a Rotisserie and adjustable motor mount that will evenly BBQ moist chicken. Furthermore, convection technology will cook your food completely, 50% quicker than a normal grill. Convection brings more functionality to each meal to bake pizza, or even cookies!

Easy to grill using 4 removable heavy duty exclusive V-Grates. Built with a front splashguard vent to keep grease away from the knobs. Including a warming rack with two positions, Thermometer, Drip Tray, and Lip guards to prevent clogging.

The Cal Flame 5-burner Convection Grill has the full package with exclusive features that is leading the way with technology in the grilling market. Get the full package with the Convection 5 Burner Grill, with exclusive features and accessories with purchase such as a Grill Cover, Smoker Box, and Griddle Tray.
